

## **DELAWARE PUBLIC SERVICE COMMISSION AGENDA/DECISIONS**

The policy of the Delaware Public Service Commission regarding its agenda shall be that all agenda items will be informative, open, and transparent so that all major issues to be heard by the Commission at a public meeting will be known and readily available to the public through the internet at <http://depssc.delaware.gov> (under HOME-Calendar/Agenda), or by calling the Secretary of the PSC at 302 736-7500, or by writing her/him at 851 Silver Lake Boulevard, Cannon Building, Suite 100, Dover, DE 19904 and requesting a copy of the agenda or other documents.\* A member of the public may also use the Freedom of Information Act to request information on any Commission activity (see PSC home page for instructions).

It is further the policy of the Delaware Public Service Commission that no decision will be made by the Commissioners on any docket until such time as the public has been given notice of the public meeting as required by law, all the applicable entries on the record in the docket have been read and reviewed by all the Commissioners, the Commissioners have heard all the arguments of all the parties in a public meeting, and the Commissioners have had adequate time to reflect upon the issues.

The language in the meeting agenda set forth in accordance with the first paragraph above is for public notice/information only and does not reflect any personal opinion of any Commissioner nor does the agenda or the language contained therein enter into the decision making process of Commissioners as that language is not part of the record in the case.

\*The long term goal of the Commission is to have every document, excepting confidential documents, in a docket available on the internet. The Commission is in the process of developing its electronic filing system.
